

# Sahamati certification services

Fast track adherence to Account Aggregator ecosystems.

Successfully self-assess conformance against ReBIT technical specifications.

Sahamati, an industry alliance for the Account Aggregator (AA) ecosystem in India, drives adoption, innovation and compliance in line with regulatory standards amongst industry participants. To become a part of the Account Aggregator ecosystem, participant organizations must follow ReBIT guidelines for API & functional flow.

## How it works.

- Access a cloud and subscription-based API test platform.
- Perform pre-compliance self-testing and debugging.
- Receive remote issue analysis support.
- Submit online pre-compliance and compliance logs and test reports to Fime's API expertise center.
- Confirm reports and request authority approval from Sahamati.

Fime can help you at any stage of your project lifecycle.
